

*Math 213: Calculus III*  
*Fall 2011 Mid-semester Survey*

1. Do you find lectures helpful?
2. How do you find the balance of lecture and interactive worksheets, activities, etc.?
3. How is the pace of the course?
4. Do you find Maple to be a helpful resource?
5. (a) How much time do you spend on an average homework assignment?  
  
(b) Do you find doing the homework assignments to be a good way to learn the material?  
  
(c) Would you maximize your learning in this course by doing less, the same number, or more problems than are currently assigned?

6. Have you used office hours? If yes, do you find office hours helpful? If no, why not?

7. Have you used the Math and Science Skills Center? If yes, have you found it to be a helpful resource? If no, why not?

8. Have you gone to the tutoring with our lead tutor, Kate, on Wednesday nights? If yes, have you found it helpful? If no, why not?

9. Do you have any comments to share about my teaching?

10. Do you have any general comments?
