

# The Political Science Major

Students majoring in political science must complete 5 units (10 semester courses) in the subject. Those courses must include work in the following subfields:

- **Political Theory**  
PSCI 220 The Classical Quest for Justice and  
PSCI 221 Modern Quest for Justice
- **American Politics**  
PSCI 200 Liberal Democracy in America and  
Any semester course numbered from 300 through 315
- **Comparative Politics**  
PSCI 240 Modern Democracies
- **International Relations**  
PSCI 260 International Relations
- Every major must also take 1/2 unit of work in either comparative politics or international relations beyond the introductory courses in those subfields, and
- at least one political science seminar, each of which is limited to fifteen students.

PSCI Courses Offered 2010-11 by Category \* = seminar
