SCMP 118: Introduction to Programming (with C++) Spring 2020

.

Changes due to the COVID-19 Pandemic in the Second Half of Spring 2020

- The course calendar and all deadlines are shifted by 1 week. (see online course calendar)
- The class will continue to meet via Zoom during the regular class times.
- Each class meetings will be recorded and made available shortly after it is over.
- All quizzes will be taken via Moodle
- All quizzes will be announced (instead of being pop quizzes)
- Late lab assignments as well as online CodeLab exercises will be accepted and graded without a late penalty
- Penalties for absence will not apply to the second half of the semester.
- The final exam will be modified. Instead of being a 3-hr in-class exam, it will have a shorter, timed "in-class" part via Moodle and a take-home part which will have a larger weight.
