

# CodeLab Registration / Purchasing

## What is CodeLab?

CodeLab is an online program for learning and practicing computer programming. CodeLab is available to you anywhere you have access to the world wide web. It is delivered and supported by Turing's Craft, Inc. ( <http://www.turingscraft.com>).

## How to Start Using CodeLab

The first 10 exercises in CodeLab are free so you can start doing the CodeLab homework before paying. But first you must register to get a username and password and put yourself on your instructor's CodeLab roster.

Go to this web site: <http://www.turingscraft.com>

Click REGISTER in the upper right hand corner of the page.

Choose the "Student: I am in a course that uses CodeLab."

Enter the code your instructor gave you where it asks for the "Section Access Code".

Follow the instructions until you get to the LOGIN screen.

**Note:** It is important that you enter your actual name during the registration so that your instructor can give you credit for the work you do in CodeLab.

## How to Purchase CodeLab

To submit answers to the exercises after the first 10 you must purchase CodeLab access. You can purchase with a credit card, send us a check or buy from the campus bookstore.

### Credit Card:

1. Login to CodeLab
2. Click the GET FULL ACCESS button.
3. Click the PAY ON THE WEB button.
4. Fill out the forms and submit. (*When filling out credit card forms, please be sure to use the name, billing address, and phone# of the person whose card it is. If you're using your parent's card, please notify them of the charge and the name of the company: Turing's Craft, located in New York.*) In each form, be sure to scroll to the bottom to make sure you're not missing anything!
5. Return to LAB portion of CodeLab and continue.

**Paypal:** You can also purchase using Paypal. To do this please first email us at [support@turingscraft.com](mailto:support@turingscraft.com) or call us at 1-866-TURING1 (887-4641) between 10am-4pm (US/Eastern), Monday through Friday.

**Check:** There is a \$2.00 handling charge for checks. To arrange to pay by check, phone 1-866-TURING1 (887-4641) or contact [support@turingscraft.com](mailto:support@turingscraft.com) with your name, callback number and a reasonable time to call.

### Bookstore:

CodeLab access codes may also be available for purchase at your campus bookstore bundled with your textbook or sold separately. Please check with your instructor to see if CodeLab is available in the campus bookstore.
