Math Monday this week is a

Birthday Party!
October 6, 2014

3:14 pm at 202 East Wiggin Street
(Meet in the science quad at 3:10 to walk over as a group.)

Join us to celebrate the 183rd birthday of mathematician

Richard Dedekind!

We'll talk about Dedekind's major contributions to mathematics, play the fun game *Pin the Irrational on the Real Line*, and CUT a cake in honor of the occasion!
